

CIVIL RIGHTS CALENDAR

Asian-Pacific American Heritage Month

The month of May is Asian Pacific American Heritage Month. The month commemorates the immigration of the first Japanese to the United States on May 7, 1843, and marks the anniversary of the completion of the transcontinental railroad on May 10, 1869. In June 1977, Reps. Norman Y. Mineta of California and Frank Horton of New York introduced a House resolution that called upon the president to proclaim the first ten days of May as Asian-Pacific Heritage Week, which eventually became a month. The Department is California's civil rights agency, which protects Californians from employment, housing and public accommodation discrimination, and hate violence. The DFEH investigates, conciliates, mediates, and prosecutes violations of the Fair Employment and Housing Act (FEHA), Unruh Civil Rights Act, and Ralph Civil Rights Act. See www.dfeh.ca.gov.
